

Welcome Back!!!!

I hope everyone had a wonderful summer. The Holland ISD cafeteria is geared up for another awesome year. For those who do not know me, my name is Connie Knaus and I am the food service director. I just wanted to give you some quick information on pricing, payments, applications and how to get in touch with me if you have any questions or concerns.

Applications for the free/reduced lunch program are available at all campuses and the cafeteria. Applications must be filled out completely if you are interested in participating. We also have an online payment service for those who would like to pay by debit/credit/automatic draft. There is a fee to add money online. The Paypams service is free to set up and is an excellent way to monitor your child's account even if you choose not to pay online. Payments can also be made with cash, check or money order at the cafeteria. Students are allowed to charge up to \$10.00. Notices will be sent home with any students who owe charges on a weekly basis. Parents who do not wish to have their kids charge may contact the food service department.

Other information regarding our cafeteria can be found on our school webpage. Questions can also be answered by visiting with our cafeteria staff, calling me at 254-657-2265 or via email at cknaus@hollandisd.org

Thank you!
