

HOLLAND ISD NEWSLETTER

2024-25 2ND QUARTER

Shane Downing
Superintendent

From the Superintendent

The fall semester went by quickly and culminated with a very busy December. Thank you for supporting the students in their activities. Attendance at their events is a lasting memory for the students. In recent years we have begun to schedule and spread out the events so it allows for a better experience.

The spring will be very busy as well when youth sports get started along with several middle and high school activities. Please support your child's education by establishing a good routine and priorities. All of the events can certainly be accomplished with their educational load if they are expected to use their time wisely. All students have to learn how to use all possible available time during the school day to make the whole process work.

The Primary students will be conducting middle of the year assessments now and then again at the end of the year. Elementary, Middle and High School students will complete state assessments towards the end of the spring semester. These assessments can bring some anxiety, but please remember that these assessments are used to help us know where the students are excelling and where they need some help. At the end of the day, education is about helping students reach their potential. It does not matter what the student plans to do after completing high school, they will need to be able to work through adverse situations to reach their life goals.

Thank you for allowing us to be a part of the students educational journey, it is what drives us to be the best staff we can be. The joy gained from our service minded staff can't be measured. I know everyone thinks we do this for the money, but that is not entirely true.

HIGH SCHOOL UPDATE

Alex Swick
High School Principal

Holland High School Spring 2025 Testing Dates

April 15 - English 1 & English 2 EOC
April 23 - Biology & US History EOC
April 30 - Algebra 1 EOC

I hope you had a wonderful Christmas break and were able to enjoy time with family and friends. As we return to school, I wanted to take a moment to share some important updates and highlight the exciting events happening in the Spring Semester at Holland High School. The Spring Semester is always a busy time, and this year will be no exception. As we continue working hard in our classrooms, students will be preparing for the End of Course (EOC) testing in the coming months. Please encourage your students to stay focused, work hard, and utilize the additional study sessions and tutoring opportunities that will be available.

In addition to academics, the Spring Semester is filled with extracurricular activities, and we are thrilled to see our students continue to excel both in and out of the classroom. Whether it's sports, fine arts, or academic UIL competitions, numerous events provide students with the chance to showcase their talents and passions. I encourage all of our students to get involved, support their peers, and make the most of the many opportunities ahead.

We are also excited to continue building on the strong sense of community here at Holland High School. As we move through the Spring Semester, there will be several school-wide events, including games, performances, and celebrations that bring us all together. I encourage parents to stay connected with us and join in supporting our students during this exciting time.

Thank you for your continued support. We look forward to a successful and rewarding Spring Semester, filled with growth, achievement, and memories. Let's work together to make this an outstanding start to 2025!

MIDDLE SCHOOL UPDATE

I hope everyone had a wonderful Christmas Break. It amazes me that we are at the halfway point for this school year; the first semester FLEW by! So far this year, we have finished cross country, football, and volleyball, and we are in the middle of basketball season. I am very proud of all of our staff and students for working so hard and earning district championships in our UIL and One Act Play contests in the fall semester. We have a busy spring semester coming up, and we are ready to hit the ground running for the new year. Remember to check your email at the beginning of each month for our most updated Hornet Happenings newsletter, and as always, call or email us if you have any questions or concerns. We are happy to help!

6th Grade Math

Math 

Winter Sumdog Contest December 6th – Dec 12, 2024

464 Classes competed from across the nation. 7,707 elementary to middle school students competing, each with 1,000 questions at their level.

6th Grade Team Rankings:

Holland 6th grade math 2nd period (6 out of 12 participating):

-348th place (51 team points)...played three of the seven possible days

Holland 6th grade math 3rd period (15 out of 15 participating):

-16th place (567 team points)...played all seven days

Holland 6th grade math 5th period (16 out of 16 participating):

-17th place (561 team points)...played all seven days

Team points are an average of team members' individual scores. The team scores increase or decrease depending on whether the math questions are answered correctly or incorrectly.

The top Holland 6th grader was Dalton Simcik who was in 21st place after the contest with 962 points out of a possible 1,000.

TOP TEN HORNETS out of 7,707 competitors

- Dalton Simcik - 962 - 21st Place - 3rd Period
- Cannon Kelso - 918 - 69th Place - 3rd Period
- Ava Lynn Davis - 891 - 103rd Place - 5th Period
- Rachel Roberson - 866 - 142nd Place - 5th Period
- Weslee Thomason - 850 - 163rd Place - 5th Period
- Cristian Valdez - 834 - 181st Place - 3rd Period
- Bryleigh Walker - 773 - 291st Place - 5th Period
- Laney Smith - 758 - 313th Place - 5th Period
- Cutter Arnold - 754 - 316th Place - 3rd Period
- Lloyd Gacke - 748 - 321st Place - 3rd Period
- Heavenly Ward - 748 - 322nd Place - 5th Period

Holland Middle School Spring 2025 Testing Dates

- April 15 - Reading (6th/7th/8th)**
- April 17 - Science (8th)**
- April 23 - Social Studies (8th)**
- April 29 - Math/Alg 1 (6th/7th/8th)**

Middle School One-Act Play

The Holland Middle School One Act Play team traveled to Cameron on December 11 to perform their play, "Oz", for district competition. They received first place out of five competing schools! Team members also earned individual awards at the competition. Evan Martinka received a Tech Crew award, CJ Ruff received Honorable Mention All Star Cast, Scarlett Simcik and Carli Decker both received All Star Cast awards, and Emory Patterson was one of two students out of the five competing schools to receive a Top Performer award. Ms. Karl would like to extend a special thanks to parents and families for supporting their students through this OAP season!

ELEMENTARY UPDATE

We are halfway through our 2024-2025 school year which is a great time to thank you for your support as we work together to help each of our students reach their potential. We have a lot to celebrate from our first semester, and it has been a joy to watch students succeed as they have settled into the learning cycle of their current grade-level.

You can anticipate a slight adjustment period as we transition back from the break. We will quickly get back into our academic routines. You can expect an increased rigor and expectation for students as we push through the spring semester getting them ready for their next grade. If you have any questions or concerns, do not hesitate to contact your student's teacher. I know that when we all work together to help students grow, it is amazing to see what they can achieve!
