Title I Family Engagement Program

Holland Elementary School is committed to HISD's vision: *All students feel safe, engaged hourly, respected by everyone, and encouraged to develop to their fullest potential.* We work hard to provide a high-quality education for all of our students, PK-5th grade, and to develop and maintain meaningful relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A Federal Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.

Funding

Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful input from the parents and families at our school.

Review

All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the needs of the Parent and Family Engagement Program.

Communication is Key!

We welcome any ideas, feedback, and concerns as we want our school to be a place where everyone feels safe and welcome. If you have any ideas, feedback, or concerns about our PFE program or if you would like to volunteer to serve on a committee, [click this link](#) or scan the QR code below.

Let us hear from you!

How to Get Involved

- Join Holland ISD's PTO, Athletic Booster Club, and Youth Booster Club
- Attend Parent-Family Meetings, Parent-Teacher Conferences, and Parent-Family Trainings/Activities.
- Join the Parent Advisory Committee, Site-Based Committee, School Health Advisory Committee, or Safety & Security Committee. It is through the Parent Advisory and Site-Based Committees that parents have a voice in the Campus Improvement Plan, School-Parent Compact, and PFE Policies. Should the Campus Improvement Plan be unsatisfactory to parents, campus staff will collect comments to submit to district staff for submission to the state agency.

Family-School Compact

Holland Elementary School believes that schools, families, and students must all share responsibility for student achievement. Therefore, we will provide all families with a Family-School Compact explaining how each of us can do our part to ensure student success. The compacts are also posted on our [website](#). This compact will be reviewed and revised, if needed, at the end of each school year by the Parent Advisory Committee and Site-Based Committee. Teachers and administrators will revise, if needed, the "goals" section at the beginning of each school year.

Curriculum and Assessment

Holland Elementary School utilizes high-quality, research-based curricula that teach the Texas Essential Knowledge and Skills (TEKS) and support student achievement.

We assess/monitor student progress at the beginning, middle, and end of the year using:

- PK: CIRCLE Progress Monitoring
- K-1: Texas Primary Reading Instrument(TPRI), Benchmark Assessment System(BAS), Texas Early Mathematics Inventories (TEMI)
- 2: Texas Primary Reading Instrument(TPRI), iReady, and Star (AR)
- 3-5: iReady, Star (AR), and STAAR (State of Texas Assessments of Academic Readiness)

Expected Achievement Levels on Academic Assessments

The State's Performance Standards can be found on this website or by scanning the QR code:

<https://tea.texas.gov/student-assessment/student-assessment-results/taar-performance-standards>

Student STAAR results are available to students and their parents through the [Texas Assessment Family Portal](#) or by logging in to your [Holland ISD parent portal](#). Parents can see their child's recent test results as well as easy-to-use resources to support learning at home and assist their child in focusing on the skills he or she most needs help with.

Understanding your child's iReady diagnostic results can be found using this link:

chrome-extension://efaidnbmninnibpcapcglclefindmkai/https://i-readycentral.com/download/?res=39944&view_pdf=1

Data meetings are conducted three times a year to assess/monitor student progress. Data from the above assessments is reviewed at each meeting. Letters will go home to parents of students who need additional support in math and/or reading.

How to Request a Meeting

Parents/Guardians can request a meeting with their child's teacher or an administrator by emailing them, messaging them on Class Dojo, or calling the school's office at 254-657-2525.

Family Meetings, Trainings, and Activities

Date	Event
Aug 7, 2025 @ 5:30 pm	Meet the Teacher
Aug 18, 2025 @ 6:30 pm	Meet the Hornets
