

## Holland ISD COVID Updates

The Holland ISD Board of Trustees approved a few changes to the COVID protocols, effective immediately. We will continually monitor our processes and work to meet the needs of our community while following the rules and regulations set forth by the state.

Changes to the plan include:

- COVID symptoms will only include the loss of taste and loss of smell. These symptoms will require 5 calendar days off campus.
- If the student or staff member would like to return before 5 calendar days, a doctor's note must be provided stating the release date the student/staff member can return to school.
- Students/staff members not feeling well should not return to school until their symptoms are improving and they have been fever free for at least 24 hours without fever-reducing medication.
