April 17, 2020

Dear Holland ISD Faculty, Students and Families,

Governor Abbott announced today that schools would complete the 2019-2020 school year using remote learning. Therefore, we will not be able to open our doors and see our outstanding students for the remainder of this school year.

Remote Learning and meals will continue according to current schedules through May 22, 2020.

We are finalizing graduation plans and I will communicate these plans to HHS Seniors and their families very soon. We will have a graduation ceremony on May 22, 2020, but it will have to be a virtual ceremony. Holland High School will continue to work with our Seniors to provide several additional opportunities to create memories of their educational journey.

I know this is not the way that any of us wanted to conclude the 2019-2020 school year. However, I am truly grateful to our students, families, staff and community for how we have, and will continue to support each other during this very difficult time.

Sincerely,

Shane Downing
Holland ISD Superintendent
